

The Green Knight

Union 1 Service Unit Recognition

The Green Knight recognition is awarded to males 18 years or older who have gone above and beyond in their contribution to Girl Scouting, both in an active and supporting role. For example a husband or dad who has helped with troop or Service Unit events, participated in a Girl Scout ceremony, helped with cookie or poinsettia deliveries, loading or loaning a truck, transportation, meetings, campfires, etc.

If you know of a male that fits this criteria, please send a letter of nomination with his contributions to Girl Scouting and why you feel that he deserves this award. There is no form for this recognition. (The candidate must attend the Service Unit Banquet to be presented with this recognition.)

The deadline for this nomination is March 1st.
